MONTHLY STIPEND

The monthly stipend is \$250 for non degree holding applicants and \$400 for certified teachers due to our agreement with the school.

DAYS OFF

Fall break
Thanksgiving
Christmas
Holy Week

LIVING SITUATION

WHERE WILL I STAY?

We have an intern house in our very safe, gated neighborhood. It is a few doors down from our founder's house and about 3 minutes from our program directors. The house is safe ,and teachers would have WIFI, electric, water, and air conditioning.

WHAT WILL I EAT?

We eat GOOD! We will have 6-8 teams while you are here with us, for those weeks you will eat dinner with us. There is a grocery store close to us where you can get almost anything you need and the house has a full kitchen. Please let us know if you have any dietary restrictions ahead of time.

WILL I HAVE SUPPORT?

ABSOLUTELY! Our American missionaries all live in the same community as the teacher house and the school is just down the road. We are at the school several times a week and in constant contact with administration. We also have small group weekly to make sure we are all being poured into spiritually.

ABOUT THE SCHOOL

WHAT CLASS WILL I TEACH?

Missionaries who hold a professional teaching degree will be assigned to core classes (such as Math, Science, English). Missionaries *without* a degree will be assigned to non-core classes (such as Bible, Art, P.E., Social Studies). Teachers will be homeroom teachers or grade-level guides, ensuring consistent and meaningful engagement with the students.

WHAT IS THE SCHEDULE?

You will be at school from 7:20-3 Monday through Friday! You'll have fall break, Christmas break, and spring break. After school, you'll work with the ministry in our student ministry and bi-monthly dinner for the homeless. You'll also hang out with our mission teams on the weeks they are with us.

SERVE

WORKING WITH THE MINISTRY

CHURCH PLANT

We are in the early stages of church planting in our city and we are hoping the relationships that YOU will build in the school with other teachers, parents, and students will be an amazing outreach for our church plant. We are hoping to plant October 2025!

CONEXIÓN STUDENTS

Every other Monday we have Conexión student services for students 12-18. This “youth group” start in 2022 in hopes of giving our inner city kids a safe place to meet Jesus but it turned into the catalyst that brought about the church plant. The first Monday of the month is our Conexión service and the third Monday is small groups.

LA MESA DINNERS

Everyone has a place at this table. We started La Mesa 8 years ago to reach those that nobody else was reaching. Our dinner is complete with white table cloths, real plates, and the best Chinese rice in the city. We sit down and eat together while someone from our team shares a 10 minute message. The community of people that God has created through La Mesa is insanely special and anyone that experiences it is honored to be a small part.
