CULTURAL EXCURSIONS

Get to know the country you are serving with trips to Copan to see Mayan Ruins, authentic Honduran cooking class, and a tour of a local coffee plantation.

NOT INCLUDED

FLIGHTS

MEALS

There will be 6-8 mission teams while you are with us, you will have dinner with us all of these nights + small group dinner with us at least once a week! Other than that you will be responsible for groceries.

TEACHING MATERIALS

Some teachers choose to bring supplies with them or take up donations before their trip! We can give you an idea of what you will be able to buy here and what the school already has.

TYPICAL OTHER EXPENSES

Previous teachers have spent between \$200-300 per month on groceries and eating out some. We suggest saving money for social things like getting nails done, going to a movie, weekend beach trips, etc. Outside of meals and some fun activities, you shouldn't have any other expenses while here.
